MEET MURGITROYD

We offer an unparalleled depth of knowledge across a wide range of scientific, technological, creative and consumer sectors. We carefully select the right people for each client, creating bespoke teams to match our expertise with your needs.

Our vision is simple. We treat you as a partner, anticipating and delivering the IP support you need. We aim, always, for exceptional service. And we deliver outstanding technical and legal expertise on all IP matters, throughout Europe and beyond.

Adding value

At Murgitroyd, we want to add value for you at every interaction. That means not just doing the work you'd expect us to do to a world-class standard, but adding value at each step of the IP process.

Global expertise

As a client of Murgitroyd, we'll not only give you access to our Defense and Security experts, which is formidable, but also access to all our specialists across our global offices - we have over 75 attorneys and 300 staff at your disposal.

ISO 9001:2015

Our ISO 9001:2015 quality accreditation means that no matter who works on your cases, you'll receive the same high standard of service.
