

Global Filing

Streamlined & Efficient To Effectively Handle All Of Your IP Filing Needs

Backed by the strength of a leading European IP attorney firm

Agent Network

With 18 global offices and an extensive network of vetted partner firms, you can be sure your intellectual property is being handled by local patent attorneys who excel in the laws of the jurisdiction.

Streamlined process

Our specialist team will take care of all the administrative tasks for you – delivering ready-to-sign documents to you and providing you with consolidated reporting. The team is available to answer any question you may have and guide you through the process.

Buying Power

As a Murgitroyd client, you benefit from our Buying Power in more than 35 countries.

Technology

24/7 bespoke access to your portfolio via the Murgitroyd Portal. Here you can run foreign filing quotes and instruct us at the click of a button.

Efficient Filing for Companies and Law Firms

We offer the support of a specialist team for your global IP filing needs. Our team will expertly handle all the filing requirements, monitoring and reporting for you. We have the experience to streamline the process for you and the flexibility to offer tailored reporting and invoicing to suit your needs or your clients' needs. And because we are ISO 9001:2015 accredited, you can rest assured we have stringent controls in place to protect your IP assets.

- A trusted foreign filing partner to handle your cases from beginning to end.
- Our hand-selected agent network, audited to ensure competitive pricing, quality and responsiveness.
- Translation options to suit your budget and quality demands.
- Legalisation Partners in multiple jurisdictions to support your certification/legalisation needs.
- All the filing documents expertly prepared ready for your signature delivered in a single email for each patent family.
- Tailored consolidated reporting and invoicing.
- Transparent pricing with fixed quotes, guaranteed for 30 days.
- Free, easy-to-use portal enabling rapid instruction and comprehensive reporting.
- Single currency invoicing for all your foreign filing needs – regardless of where you instruct us to file.
